Great Progress in Year 5

Busy, busy, busy in Year 5 this week and what a wonderful time we've had! There's been some absolutely fantastic work on show, a real mixture of learning and brilliant attitudes from everyone and I am so impressed with the great progress we have been making. The classroom is so calm and quiet and the children work so hard and nicely together, it really is a pleasure to teach them. Well done Year 5 and let's all keep it up!

Mrs Winstanley's Column

Dear Parents and Carers,

What a busy week it has been at Trinity! The weather certainly seems to have had a mind of its own — sunshine one minute, rain the next, and everything in between! ☁️ Thankfully, our children have continued to shine whatever the weather!

A huge thank you for making today's Non-Uniform Day such a fabulous success! 🙌 We were blown away by all the generous donations of sweets for our Christmas Fair. We are going to have a fantastic tombola this year — it's already looking amazing! 😊

The children looked absolutely fabulous today and, I have to say, they may have even made Mrs Winstanley re-think her wardrobe choices! 😄 There were some brilliant outfits and lots of smiles around school.

Next week we are really looking forward to welcoming you into school for our Meet the Teacher evenings. It will be a lovely opportunity to find out more about your child's year ahead, what they will be learning and how you can support them at home.

We will also have tea and coffee available in the school hall with Mrs Winstanley, so if you have any questions, ideas or thoughts for the year ahead, please come along for a chat. We really value your views and love hearing your ideas about how we can continue to make Trinity a wonderful place for our children and families. Have a lovely weekend, Trinity family — stay dry, stay cosy and enjoy some well-earned family time! ❤️

Mrs Winstanley and Team Trinity 😊

'Letting our light shine as we live, love and learn together with Jesus'

Who are we and what do we do?

SENDIAS is a statutory service and operates confidentially from the Local Authority to provide impartial and unbiased support to children and families across Lancashire.

Family Support

The service offers free information, advice, and support regarding SEND across the spectrum of education, health and social care, for example: EHCP processes, paperwork, communications with schools, and tribunal's.

Empowering families

The SENDIAS goal is to empower families to make informed decisions and have their voices heard throughout the SEND journey.

Service changes:

The team has recently expanded and we are currently we are reviewing the service offer following service user feedback to make it more flexible, accessible and empowering for families across Lancashire. These changes allow us to

reach more families and offer consistent , high-quality accessible information advice and support across county.

Our Website with further details can be found here:

Introducing Neu Way Support

Support for families of children and young people with neurodevelopmental needs

From 6 July, families across Lancashire and South Cumbria will be able to access Neu Way Support, a new service for families of children and young people aged 0–25 who may have autism, ADHD or other neurodevelopmental differences. The service is available based on need, which means you do not need a diagnosis to get support.

How can Neu Way Support help?

Neu Way Support can provide:

- Advice and guidance
- Information about local services and support
- Help to understand what support may be available for your child or young person
- Practical resources and tools
- Support to identify next steps and develop a personalised plan
- Signposting to community, education, health and voluntary sector services

Every family is different, so support will be tailored to your individual needs.

Who is the service for?

Neu Way Support is available for families of children and young people aged 0–25 who:

- Have concerns about autism, ADHD or other neurodevelopmental differences
- Are waiting for an assessment
- Have recently received a diagnosis
- Would benefit from information, advice or support to help navigate services

You do not need a diagnosis or to be on a waiting list to access support

How do I access the service?

Families can refer themselves directly or ask a professional to help them access support.

www.springnorth.org.uk/projects/neu-way-support
0300 365 5030

Building support for the future

Neu Way Support is part of a wider programme to improve support for children and young people with neurodevelopmental needs across Lancashire and South Cumbria. The service is being introduced in phases, with plans to continue developing and strengthening support for families over time.

Neu Way Support

Early support for children,
young people and families

Local Area Partnership

Lancashire and
South Cumbria
Integrated Care Board

As a parent or carer, you know your child better than anyone. If you've noticed changes in how they communicate, learn, interact or experience the world, it's natural to have questions. You may be wondering what those differences mean, where to seek advice or how to find the right support.

Neu Way Support is a service that recognises that every family's journey is unique. For many, the path to understanding their child's needs can feel overwhelming, with long waiting times, a lot of information to navigate and uncertainty about what to do next.

You don't need a diagnosis to access the service. Whether you're at the beginning of your journey, awaiting an assessment, have recently received a diagnosis, or simply need someone to talk things through with, we're here to help.

Our aim is to ensure every family can access trusted advice, practical support and local connections at the earliest opportunity, helping you feel informed, supported and confident about the next steps.

You can access Neu Way Support whether you're:

- Just starting to have questions?
- Waiting for an assessment?
- Recently received a diagnosis?
- Looking for practical advice?

Every family's journey is different, but you don't have to navigate it alone. Scan the QR code to find out more
