A brilliant start for Year 1!

What an absolutely outstanding first half term we have had in Year 1!

The children have blown me away with their knowledge, determination, and sense of fun. Even though we work extremely hard in our classroom, we also make sure that we're feeling happy while doing it!

Our two standout events have been DT week and our Black History month learning. In DT, we have been learning how to make cards with a slider mechanism - no easy feat! The children have been so resilient practising skills like cutting and folding too!

For Black History month, we learned all about Katherine Johnson and the amazing mathematical work she did to help send the first man to the moon. We then got to launch some rockets of our own!

Keep shining Year 1, you're just brilliant! !

Dear Parents and Carers,

Week 7 – done and dusted! 🥕 What a week full of things to celebrate at Trinity! We are incredibly proud of our children who achieved a fantastic 4th place in the Lathom Maths Challenge – brilliant problem-solving, Team Trinity! We also enjoyed a lovely non-uniform day, bringing plenty of smiles to finish the week and lots of Christmas goodies for the Christmas fair. To top it all off, Mr Unwin has been sharing glowing reports about every class in PE and our after-school clubs! It is wonderful to hear such positive feedback about the children's enthusiasm, effort and participation. Well done, everyone – another fabulous week of learning, teamwork and shining bright. Great work, Team Trinity! 🌟

It has also been DT Week at Trinity, and our budding designers have been dazzling us with their finger fluency, their ability to handle a tool or two, and, of course, their fantastic eye for design! ✂ 🛠 From creative ideas to carefully crafted finished products, the children have shown wonderful creativity, perseverance and practical skills. Do check out our Facebook page for some fabulous photographs of each class's projects – you will be amazed by the quality and standard of work on display! We have some very talented young designers in the Trinity family! 🌟

Next week is the final week and we look forward to our first ever ADHD awareness assembly, I will do a separate post to tell you how that came about! You will be impressed! And also a special road safety assembly as we head into the winter months and darker nights. We will be taking part in national 'Glow week' in order to educate our children on keeping themselves safe. I will say goodbye for now and wish you all a lovely weekend 🙂

Mrs Winstanley and Team Trinity 😊

SEND IAS
Information, advice and support
for Special Educational Needs and Disability

Who are we and what do we do?

SENDIAS is a statutory service and operates confidentially from the Local

Authority to provide impartial and unbiased support to children and families across Lancashire.

Family Support

The service offers free information, advice, and support regarding SEND across the spectrum of education, health and social care, for example: EHCP processes, paperwork, communications with schools, and tribunal's.

Empowering families

The SENDIAS goal is to empower families to make informed decisions and have their voices heard throughout the SEND journey.

Service changes:

The team has recently expanded and we are currently we are reviewing the service offer following service user feedback to make it more flexible, accessible and empowering for families across Lancashire. These changes allow us to reach more families and offer consistent , high-quality accessible information advice and support across county.

Neu Way Support NW

Introducing Neu Way Support

Support for families of children and young people with neurodevelopmental needs

From 6 July, families across Lancashire and South Cumbria will be able to access Neu Way Support, a new service for families of children and young people aged 0–25 who may have autism, ADHD or other neurodevelopmental differences. The service is available based on need, which means you do not need a diagnosis to get support.

How can Neu Way Support help?

Neu Way Support can provide:

- Advice and guidance
- Information about local services and support
- Help to understand what support may be available for your child or young person
- Practical resources and tools
- Support to identify next steps and develop a personalised plan
- Signposting to community, education, health and voluntary sector services

Every family is different, so support will be tailored to your individual needs.

Who is the service for?

Neu Way Support is available for families of children and young people aged 0–25 who:

- Have concerns about autism, ADHD or other neurodevelopmental differences
- Are waiting for an assessment
- Have recently received a diagnosis
- Would benefit from information, advice or support to help navigate services

You do not need a diagnosis or to be on a waiting list to access support

How do I access the service?

Families can refer themselves directly or ask a professional to help them access support.

Building support for the future

Neu Way Support is part of a wider programme to improve support for children and young people with neurodevelopmental needs across Lancashire and South Cumbria. The service is being introduced in phases, with plans to continue developing and strengthening support for families over time.

As a parent or carer, you know your child better than anyone. If you've noticed changes in how they communicate, learn, interact or experience the world, it's natural to have questions. You may be wondering what those differences mean, where to seek advice or how to find the right support.

Neu Way Support is a service that recognises that every family's journey is unique. For many, the path to understanding their child's needs can feel overwhelming, with long waiting times, a lot of information to navigate and uncertainty about what to do next.

You don't need a diagnosis to access the service. Whether you're at the beginning of your journey, awaiting an assessment, have recently received a diagnosis, or simply need someone to talk things through with, we're here to help.

Our aim is to ensure every family can access trusted advice, practical support and local connections at the earliest opportunity, helping you feel informed, supported and confident about the next steps.

You can access Neu Way Support whether you're:

- Just starting to have questions?
- Waiting for an assessment?
- Recently received a diagnosis?
- Looking for practical advice?

Every family's journey is different, but you don't have to navigate it alone. Scan the QR code to find out more
