Year 4 – What a Fantastic Start!

What a fantastic start to Year 4! The children have settled into Year 4 life brilliantly and have been working incredibly hard across all areas of their learning. We have been super busy!

In PE, we have been learning our very own Iron Man dance, which links beautifully with our English learning. The children have been showing great creativity and enthusiasm as they have developed their movements and worked together.

We have also become astronomers in English, writing our own logs about a shining star. The children have been using their imaginations and developing their writing skills to create some fantastic ideas.

In Maths, we have been working hard on place value. Some of our learning has been a little tricky, but Year 4 have shown fantastic perseverance and resilience. They have kept trying, even when things have felt challenging – what a brilliant attitude to learning!

Keep up the fantastic hard work, Year 4! You have made such a brilliant start, and Mrs Williams can't wait to see all the amazing things you will achieve this year.

Mrs Williams

Next week @Trinity...

Mrs Winstanley's Column

Dear Parents and Carers,

It has been another lovely week here at Trinity, and it was especially wonderful to welcome so many of you into school for our Meet the Teacher evenings. The teachers really enjoyed meeting you, sharing a little about the year ahead and getting to know our families. Thank you for taking the time to come along and for your continued support. We are all looking forward to a fantastic year ahead, filled with learning, laughter and lots of opportunities for our children to let their light shine! ✨

We are also very excited to see the construction of our new school pod getting underway outside Year 4 and Year 6! 🏠 ✨ This new space will provide us with some much-needed additional intervention and learning space, giving children a calm and purposeful environment to receive extra support when they need it. We can't wait to see it take shape over the coming weeks and look forward to making lots of use of this fantastic new addition to our school!

What a wonderful way to end the week! ❤️ It was lovely to see our school community come together for a busy Macmillan Coffee Morning. A huge thank you to all our families for your generous donations, for joining us and for helping us raise an amazing almost £500 for such a fantastic cause. We then finished the week with our very own Staff Bake Off Assembly, which was absolutely bursting with laughter, cheers and, of course, the all-important chants of "Does it have a soggy bottom?!" 🤔🍰 A huge well done to everyone who took part especially our staff winner, Miss Moloney – what a GREAT week at Trinity! ✨ Take care and have a great weekend, ❤️

Mrs Winstanley and Team Trinity 😊

Who are we and what do we do?

SENDIAS is a statutory service and operates confidentially from the Local Authority to provide impartial and unbiased support to children and families across Lancashire.

Family Support

The service offers free information, advice, and support regarding SEND across the spectrum of education, health and social care, for example: EHCP processes, paperwork, communications with schools, and tribunal's.

Empowering families

The SENDIAS goal is to empower families to make informed decisions and have their voices heard throughout the SEND journey.

Service changes:

The team has recently expanded and we are currently reviewing the service offer following service user feedback to make it more flexible, accessible and empowering for families across Lancashire. These changes allow us to

reach more families and offer consistent , high-quality accessible information advice and support across county.

Our Website with further details can be found here:

Introducing Neu Way Support

Support for families of children and young people with neurodevelopmental needs

From 6 July, families across Lancashire and South Cumbria will be able to access Neu Way Support, a new service for families of children and young people aged 0–25 who may have autism, ADHD or other neurodevelopmental differences. The service is available based on need, which means you do not need a diagnosis to get support.

How can Neu Way Support help?

Neu Way Support can provide:

- Advice and guidance
- Information about local services and support
- Help to understand what support may be available for your child or young person
- Practical resources and tools
- Support to identify next steps and develop a personalised plan
- Signposting to community, education, health and voluntary sector services

Every family is different, so support will be tailored to your individual needs.

Who is the service for?

Neu Way Support is available for families of children and young people aged 0–25 who:

- Have concerns about autism, ADHD or other neurodevelopmental differences
- Are waiting for an assessment
- Have recently received a diagnosis
- Would benefit from information, advice or support to help navigate services

You do not need a diagnosis or to be on a waiting list to access support

How do I access the service?

Families can refer themselves directly or ask a professional to help them access support.

www.springnorth.org.uk/projects/neu-way-support
0300 365 5030

Building support for the future

Neu Way Support is part of a wider programme to improve support for children and young people with neurodevelopmental needs across Lancashire and South Cumbria. The service is being introduced in phases, with plans to continue developing and strengthening support for families over time.

Neu Way Support

Early support for children,
young people and families

collaborative working for health

Lancashire and
South Cumbria
Integrated Care Board

As a parent or carer, you know your child better than anyone. If you've noticed changes in how they communicate, learn, interact or experience the world, it's natural to have questions. You may be wondering what those differences mean, where to seek advice or how to find the right support.

Neu Way Support is a service that recognises that every family's journey is unique. For many, the path to understanding their child's needs can feel overwhelming, with long waiting times, a lot of information to navigate and uncertainty about what to do next.

You don't need a diagnosis to access the service. Whether you're at the beginning of your journey, awaiting an assessment, have recently received a diagnosis, or simply need someone to talk things through with, we're here to help.

Our aim is to ensure every family can access trusted advice, practical support and local connections at the earliest opportunity, helping you feel informed, supported and confident about the next steps.

You can access Neu Way Support whether you're:

- Just starting to have questions?
- Waiting for an assessment?
- Recently received a diagnosis?
- Looking for practical advice?

Every family's journey is different, but you don't have to navigate it alone. Scan the QR code to find out more
