

'Letting our light shine as we
Live... Love... and Learn
together with Jesus'

Trinity

Primary School

Church of England / Methodist

26th February 2021

Dear parents, carers,

Thank you once again for all of your help and support with remote education. Just one more week to go and then we will all be back in school together.

We are busily planning our grand reopening to make it extra special – there will be lots of fun events in classes to welcome children back to school giving them a much needed chance to catch up with their friends. Mrs Winstanley and I will be recording a video to share with you next week about the plan for 8th March. This will be a video which you and your children can watch together - if you or your child are anxious about returning to school (which is totally normal), this video should allay those fears. On the Thursday of the first week back (11th March) we will be celebrating World Book Day. This is one week later than the official World Book Day on 4th March – but there was no way we were going let our fabulous children miss out on the World Book Day celebrations! Mrs MacDonald will be in touch with further details. There will be many other wonderful activities for the children to enjoy in school in the lead up to Easter. Next week, I will send home a list of these events, and of course, we will be once again enjoying our Egg Rolling, Easter Bonnet Parade and Decorated Eggs competition – our ever popular Trinity School traditions, which we missed so much last year.

When we reopen on 8th, Mrs Ramsay will be teaching Reception. Mrs Ramsay has been working in Reception off and on since October and has been doing a tremendous job. Miss Nixon will hopefully be back after Easter. We have also appointed a brand new Teaching Assistant for Reception, who is starting in mid-March. His name is Mr Clarke. Mr Clarke is an experienced reception class Teaching Assistant. Mr Clarke will be working alongside our amazing Mrs Bond!

As we get closer to the launch of WEDUC, I am asking for your patience as with the crossover - there will be things we need you to do. However, it will be worth it in the end. Staff have nearly finished their training in how to use the new app. Next week we will be letting you know what you need to do to access the new app, messaging service and payment system.

Last couple of things, please could I remind parents that masks are to be worn (which cover your nose and mouth) by all adults for the entire time you are on school grounds. This is so important. It's also important to keep your distance from all other people. Finally, as set out in the government restrictions, children should not be going to each other's houses for any reason. Thank you for your support and understanding.

Have a lovely weekend.

Yours sincerely,

Mr Currie
