## What a Creative First Week Back!

Year 6 are loving our class novel, *Kensuke's Kingdom* by Michael Morpurgo and have enjoyed using this book to link our learning to lots of other areas of the curriculum.

In art, we are loving completing our, 'Great Wave pictures,' in the style of the famous Japanese artist, Hokusai. They are amazing and so life-like!

We have also produced brilliant haiku poems (a Japanese form of poetry) all about the island in *Kensuke's Kingdom*.

# Mr Currie's Column

Dear parents, carers and children,

Happy New Year!

Welcome back to school. It has been so good to see the children this week and hear about all of the wonderful things they have been doing over Christmas. It has been such a great week in school – lots of learning, lots of fun! It was my privilege to be part of the Y6 class worship yesterday. Our Y6 children led the worship so well with no adult intervention whatsoever. Our children are confident, responsible citizens – what a great witness they are.

Its parents' evening next week. Please book your appointments on SchoolCloud (via Weduc). We have so much great news to share with you, so please do remember to book your appointment.

Back in November, St. Paul's had their 11:15 am Church service in our school hall. We then had lunch together after the service. So many of you came along – it was a huge success. So, we are doing it again. On Sunday 15th January at 11:15 am there will be a fun and interactive family themed Church service in our school hall. Immediately after the service there will be hot food for everyone to enjoy together provided by St. Paul's and Trinity. You're all invited, spread the word, it's not just Trinity families that are invited – anyone who wants to come along is more than welcome. It's going to be great.

Have a lovely weekend,

Mr Currie

and learn together with Jesus'

## Year 6 holiday to Llandudno

The children are very excited about their residential holiday to Llandudno in June.

Thank you for the forms returned and deposits paid so far - if you have not already done so, can you please return your GREEN form by Monday, ensuring that all information is filled in. Deposits are due by 9th January - please do not hesitate to contact Mrs Winstanley or the school office if you need to discuss anything.

Thank you.

## PARENTS' EVENING

We look forward to welcoming you to the Parents' Evening next week.

Parents' evenings are an important part of any school year, they are a great way of helping to sustain the positive, open and strong relationship we have between parents and teachers. Teamwork and communication between home and school is key to your child's success. Parents' evening is a great way to find out more about your child's passions, so that you can make the most of their enthusiasm when they are at home and do activities that will nurture these interests. If you want to know more about what goes on in school or have any concerns about your child, parents' evening is a good time to ask.

As a result of the feedback provided last year, we are going to have two parents' evenings this year. The first one (next week) will be online. We will then have an in-person parents' evening led by the children in the summer. Appointments for next week will be via the Weduc app unless access to technology is an issue, in which case, please liaise with your child's class teacher so a telephone appointment can be booked instead. Appointments can only be made using the Weduc App or by following this link:

## Online safety tip:

When you leave comments on people's pictures or pages, try to be positive and friendly.

Someone has worked hard and put a lot of effort into what they post and so your nice message will go a long way.
