School  
Target  
**97%**

Highest attendance so  
far this year  
**YEAR 2 - 99.4%**

# TEAMWORK IN YEAR 2

Year 2 have had a wonderful week learning both in class and outside in the fresh air! We have been looking at plants and flowers as part of our Science topic and we went off exploring leaves so that we could identify evergreen and deciduous trees in the school environment! In our computing topic we have been looking at using the computer to produce artwork and so this week we just had a little fun exploring all of the fantastic art tools in the 2 paint program! But what impressed Mrs Winstanley the most, was the teamwork skills and support that the children showed each other during the session! On Wednesday, we were lucky enough to go outside and combine fitness and fun in our PE lesson! Check out the action shots! JUMP!!!!

## DIARY DATES

28<sup>th</sup> May 2021

May Day  
Celebrations

We are looking forward to our traditional May Day celebrations in May

2<sup>nd</sup> - 3<sup>rd</sup> July 2021

Y5 and Y6 Sleep  
Over at School

Save the date! We are organising a weekend full of fantastic events for Y5/6 who have missed out on their school holidays for the past year. More information to follow.

## Mr Currie's Column

Dear parents, carers and children,

How amazing has the weather been this week! Everything seems so much 'better' when the sun is shining. It's been hard not to notice how beautiful our local area is as I've been riding my bike to school each day this week. The good weather has allowed us to crack on with some clubs that we have dearly missed for the past year. We have had sports clubs every night this week after school in some form. Yesterday, we had our first football tournament with 5 other local schools. Although we didn't win, the children showed our Christian value of 'perseverance' in bucket loads and they were fantastic ambassadors for our school through the way in which they supported each other and interacted with other schools. Most importantly, they had fun! Thanks to our amazing Mr Marren for organising all of these fab events. There will be more and more clubs happening as time goes on.

Mrs Winstanley will be letting you know what is happening with the school holiday next week. We are working on an alternative, just for this year. Sadly, it's not looking likely we will be able to go to Scarborough, but fear not, we will have a residential in some form and it will be a hybrid of both the Y5 and Y6 holidays. Exciting!

Next week, we will be starting to get back to normal with home reading. I will be writing a separate letter to explain the process. But children will be able to change their books as often as they need to. Reading books and records (preferably in reading bags) will be needed in school every day please.

Have a lovely weekend – anyone had the BBQ out yet??? It's got to be done! Mr Currie

### Goodbye and good luck Mr Morton and Mr Wilkinson

Today is a sad day for Y4 and Y3. It is Mr Morton and Mr Wilkinson's last day! Mr Morton and Mr Wilkinson are two of our trainee teachers and they have done an AMAZING job in Y3 and Y4. The children have loved being taught by Mr Morton and Mr Wilkinson and I know they will be missed. Thank you!!

It has been a great pleasure to teach at Trinity over the past few months. Since the first day I came to the school, all the students and staff have been so kind and supportive which has made me feel like a part of the Trinity family. This is an incredible school full of excellent staff and extremely talented children. I am going to miss you all so much, especially my wonderful Year 3 class who have been absolute superstars these past 13 weeks, it's been a great pleasure to teach you. I hope I will be able to come back and visit in the near future. Thankyou for everything Trinity. **Mr Wilkinson**

It's hard to know where to begin! This has been such an incredible journey and one where I have experienced everything! I am so fortunate to have been placed in an amazing class, with a really supportive team of staff around me. It was easy to see from day one how Trinity is one massive family. Leaving today, I feel like part of the family so thank you to everyone who has supported me in my training. To my fantastic Year 4 class: THANK YOU! You have made my job so much easier and I thank you all for your hard work, determination and laughs over the past four months. Keep it up! You have made exceptional progress in a short space of time - I am so proud of each one of you and you should be too. You are a class I will always cherish. Continue to let your light shine.

Thank you,  
**Mr Morton**

Year Two achieved 100% attendance last week. They choose an extra playtime as their prize. **Well done Y2!**
