BUSY BUSY BUSY YEAR 3

What a busy week of learning we have had in Year 3 including attendance rewards, swimming and starting our new book in English.

We were very lucky to win 100% attendance last week and chose our reward of yummy doughnuts - what a treat! We also went swimming on Tuesday which is our favourite day of the week! In English we started our new book called 'Flotsam'. We had an exciting lesson where we had to investigate trays of flotsam and use our inference skills to predict what characters the trays belonged to - we had lots of fun! We also took part in our class worship, thinking about the Christian value 'love' and how important it is to love those in need.

Have a lovely bank holiday weekend everyone!

Mr Currie's Column

Dear parents, carers and children,

I can't believe it's Bank Holiday weekend already! Wow, the time is flying by. We are gradually adding more to the calendar in the summer term. Back due to popular demand is the 'BIG OLD SKELMERSDALE CLEAN UP' This will take place on Saturday 12th June - 9:30 - 12:00. Please come along in your household bubbles and support us - a bacon butty and a brew for everyone before we kick off!

Trinity has worked with an organisation called 'Operation Orphan' for many years. Operation Orphan exists to keep orphans and vulnerable children safe, warm, healthy and learning. Operation Orphan needs our help to build a house for homeless children in Uganda. Please click [HERE](#) to see a full video message from Operation Orphan. This is a great way of showing our Christian value of 'love' in action. We would like as many people as possible to sponsor a brick. Each brick is £2.50. 100% of each £2.50 goes towards building this new house in Uganda. Every time a brick is sponsored, each child will paint a brick and insert their initials to show that they have helped Operation Orphan build a house. We are going to start painting bricks for all to see on the external wall of Y4 by the pathway between church and school. To launch the campaign, we will be having a sponsored colour run on 14th June 2021 - the children know what this is - we talked about it on Monday. More details to follow. Please watch the video if you have a spare 8 minutes - it really does put everything into perspective. Let's build a house! Thanks everyone.

Have a lovely bank holiday weekend, Mr Currie

FABULOUS SCHOOL PHOTOS

We know just how important school photos are - they are incredibly special family keepsakes. We want you to be really happy with your photos. So this year, we have enlisted the help of Helen Riley to capture these special moments. Helen is a professional portrait photographer based in West Lancashire with over 15 years' local and international experience, Helen has a personal approach in which she dedicates days, not just hours, to shoots. Helen strives to capture bold images that reflect the character and individuality of each and every child. She does this while respecting the traditions of our school photography, offering parents a choice of images ranging from more conservative poses to fun and contemporary photographs. This is really exciting, and I can't wait to see the results.

Helen will be taking the photos between 10th and 14th May

Please give consent for your child to be photographed by Helen by Wednesday 5th May. You can do this by clicking [HERE](#).

We will then set up a timetable providing you with a day and time that your child will be photographed. Helen will be following all government guidelines to ensure a COVID-safe environment. If you need help with the link from the photographer, please contact Helen direct on 07434611672 or email hello@helenrileyphotography.com and she will be pleased to help you.

Other family groupings i.e. siblings at high school can also book a session. These session will take place on 17th May

(Group sessions also need to be booked please)

Year Three achieved 100% attendance last week. They choose doughnuts as their prize..... mmm! **Well done Y3!**
