## Sunflower Nursery welcomes a visitor

This week our Sunflower Nursery Class had a visitor called Mrs Stanley. She is a professional storyteller and she told the children two stories.

The stories were brought to life using puppets, songs and actions. Our children love stories and this event helped them to enjoy them even more.

Mrs Stanley said that we have lovely children in our school and we couldn't agree more!

## Dear parents, carers and children,

Well, we made it! Another successful half term. It's been great this term to start to reintroduce some normality into school life. Staggered times have gone, trips have restarted. We've even been able to invite parents onto site this afternoon, (following the guidelines on groups of 30), to enjoy the May Day Celebrations. It's so good to have you back, even in small groups. I am sorry for those who didn't get a chance to come.

You have all been so patient, so accommodating, so supportive, throughout this whole process – thank you! It's incredibly reassuring to know we have the full support of our parents. What a great partnership we have.

There is a lot to look forward to in our last half term. There will be trips or special visitors for all classes, a talent show, lots of sports competitions and events, a school holiday with a difference, a trip to the cinema for the housepoints winners ...the list goes on. Also, if the roadmap continues as it is, we will be able to invite you all along to Sports Day – I can't wait for this day!

We also have our Colour Run coming up to raise money to build a house for orphans in Uganda. Sponsor forms should now have been sent home. We have a professional camera crew coming to film this fantastic event.

Thanks again everyone for all of your support. Thank you to our wonderful staff for their total commitment and dedication, and thanks to our awesome children for bringing a smile to our faces each and every day!

Have a lovely half term.
